TAB Storytellers Podcast: Join hosts Jen Ferrari (she/her) and Abi Paytoe Gbayee (she/her) as they have informal conversations with TAB leaders and educators, discussing topics related to the Teaching for Artistic Behavior movement in art education. Our goal with this TABcast is to hear the stories of how folk found TAB, are implementing TAB in their classrooms, and answer questions related to TAB. Also we promise to laugh at ourselves often and not take any of this too seriously, we just aren't those people.
